

“Comfort, Safety, and Style Was Never So EZ”

EZHarness™

The “step-in” EZHarness™ is quick and easy to apply, safe and comfortable for everyday use. It features double-padded fleece anywhere the harness touches your pet’s body to prevent chaffing or injury. Includes an elegant, satin-finish nylon webbing, integrated with a 4-foot swivel lead to reduce tangling, and a fleece padded handle for the owner’s comfort.

EZCollar™

EZCollar™ is an adjustable walking collar, lined with double-padded fleece, that slides safely and conveniently around your pet’s head and neck, protecting their sensitive throat and trachea from harm. It easily connects to retractable or standard lead solutions, and can be used in conjunction with existing collars.

EZLeash®

EZLeash® integrates the EZCollar™ with a 6-foot nylon lead, and a sturdy, chrome, case-hardened swivel that will mitigate tangling. The product is a quick and convenient solution to control your pet. Ideal for agility, racing and everyday use, designed to improve the walking experience.
